November

The holiday season is here! With that, there are lots of excitement, days off, parties, family events and more. Just a reminder, if your child will be missing days at the club, please let me know in advance, if possible. You can tell me at pick up or email me. As always, the staff has lots of fun plans for this month and your kid(s) will not want to miss any of it!

Club Closed

Please remember – anytime school is closed, so is the club. During the month of November we will be closed on November 10, 23, 24, 27 & 28.

After School Care Payments

We are so excited to have your child(ren) as part of our program. Please remember to pay your \$10 monthly after care payment every month. You can pay with cash, check, or credit card. To pay with a credit card, go to www.bgccs.org and click on Donate Now. Once there you can do a one-time payment or a reoccurring payment. Thank you for your help with this!

Save the Date

Our Steak & Burger Dinner is scheduled for January 30th. More information will be coming out soon, but make sure you mark your calendars NOW!

Parent Help

One of our Shippensburg parents is in need of help to get their daughter from club to her house. There is someone at home, but they cannot get to the club to pick her up. The family lives on Roxbury Road. If you are able to help with this, please let me know and I will get you more information.

Members of the Month

K-3

Jaynee Thomas

Jaynee has been with us for several years. She is extremely intelligent, kind, and a great student leader. She is willing to help others with homework, lead the class, and has great listening ears. She is kind, shares well, and has a great sense of humor. I can't wait to see what she does in the future.

4th & 5th Grades

Hi! My name is Maggie Gagdalena Eileen Gird. I am 10 years old ad I have been in the Boys & Girls Club for 6 years. I live with my mom, Jeanie, and my 4 other sibling. My favorite things are art class, writing scary stories, and watching Coryxkension's on Youtube. I am Magdalena and I LOVE going to BGC.

The Boys & Girls Club is really cool! It is a place where kids go after school to do homework, but that isn't all it is. The Boys & Girls Club is also a place where kids can go where they won't be judged. It is a place where kids can make friends. Me and all the kids that go here will always feel safe and respected at BGC!!

6th – 12th Grade

Katara Smith

She is in 6th grade. She helped with the planning and execution for the Elementary Halloween party. She has been a great help since day one. She is always willing to do what s needed when asked. She never talks back and is always a joy to have in the classroom. I am glad that she is part of BGC and that she always has a smile!
